# Merhaba

2023 yılında İstanbul Ticaret Üniversitesi Tekstil ve Moda Tasarımı bölümünden lisans derecesinde mezun oldum. Bu süreç içerisinde çeşitli öğrenci kulüplerinde ve gönüllü çalışmalarda yer aldım.

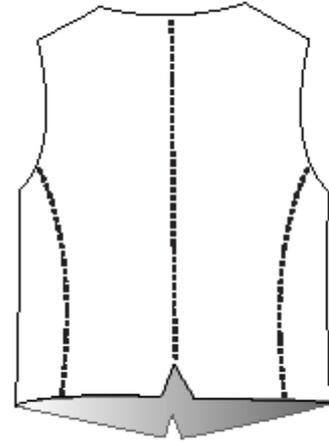

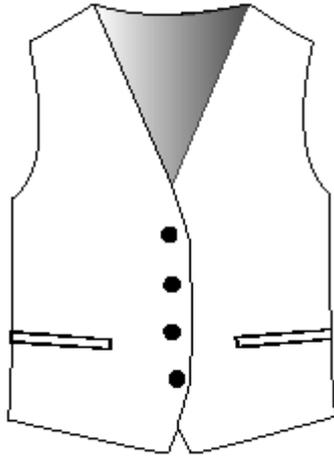

Aldığım dersler ve tamamladığım projeler sayesinde alanımda temelden ileri düzeye bilgiler edindim ve içinde yer aldığım stajlar sayesinde koleksiyon yönetimi, planlama ve takım çalışması konularında kendimi geliştirme fırsatı buldum.
